**Description**

**Related issues:**
- Blocks Freeciv - Task #673656: S3_1 datafile format freeze (d3f)
- Closed

**History**

**#1 - 2017-05-03 04:17 AM - Marko Lindqvist**
- Blocks Task #656466: S3_0 datafile format freeze (d3f) added

**#2 - 2017-09-17 02:44 PM - Marko Lindqvist**
This is currently listed for S3_0 d3f, but as it's not addressing regressions from earlier version or finalizing new feature in S3_0, I won't consider this as S3_0 d3f blocker if it's not coming in time (I'm going to prune S3_0 d3f tickets at some point)

**#3 - 2018-08-03 10:13 PM - Marko Lindqvist**
- Sprint/Milestone changed from 3.0.0 to 3.1.0

**#6 - 2019-12-26 08:26 PM - Jacob Nevins**
(This was originally gna bug #23790, which has more details / rationale.)

**#7 - 2020-11-14 06:08 AM - Marko Lindqvist**
- Status changed from In Progress to Closed

This has been resolved as side effect of Feature #871681.
