% Done: 0%
Estimated time: 0.00 hour

Description

1. Open grr.org/parking-calculator.php
2. Choose Valet Parking from drop-down menu
3. Enter a period = 1 week
4. Click "Calculate"
5. Verify the result

Expected result:

1. The cost should be calculated as $126

Actual result:

1. Wrong calculation for 1 week (147$)

Test Data:

1. See the imported picture
