**Description**
Requested by Marko

**History**

**#1 - 2019-12-24 01:45 PM - Sveinung Kvilhaugsvik**
Looks like Qt is harder to backport to bionic than meson. qtbase-opensource-src and qttools-opensource-src has a circular build dependency.

**#2 - 2019-12-25 12:52 PM - Sveinung Kvilhaugsvik**
- Category set to Bootstrap
- Status changed from New to Resolved
- Assignee set to Sveinung Kvilhaugsvik
- Sprint/Milestone set to 3.1.0

Launchpad allows copying binaries too.

**#3 - 2019-12-27 12:54 AM - Sveinung Kvilhaugsvik**
- Status changed from Resolved to Closed
