#### Description

In Bug [864579](#864579) I said:

"CityTile related code in metaknowledge.c seems suspicious too, though I have not thought it very carefully."

Check it.

#### History

**#1 - 2021-02-11 12:42 AM - Sveinung Kvilhaugsvik**

I had a deep look. Ugly and suspicious looking, but as far as i can tell it still works.

Should probably be refactored to use a switch-statement so it must be considered if new properties are covered too. And better explanations for the suspicious looking things.
